

Aquarium ADVENTURE Exhibit

Reel to Real

Captivating footage from nature that illustrates the importance of oceans and what Downtown Aquarium has to offer.

Shipwreck

Step inside the sunken hull of a 17th century Spanish galleon shipwreck. A giant pacific octopus and moray eel await you!

Louisiana Swamp

Enjoy wildlife of the swamps with gators, alligator snapping turtles, spotted gar and much more in our little piece of Cajun country.

Gulf of Mexico

Sink to the bottom of the neighboring sea and catch glimpses of offshore rig divers like redfish, snapper and nurse sharks.

Sunken Temple

The ruins of this lost Mayan civilization showcase some spectacular species like tarantulas, pufferfish and a Reticulated Python that is over 20 feet long!

Rainforest

Explore the world's tropical rainforests with red-bellied piranhas, venomous freshwater stingrays, an emerald tree boa, colorful rainforest frogs and beautiful birds.

Discovery Rig

This hands-on encounter hosts stingrays, horseshoe crabs and other invertebrates. Our shark nursery houses baby bamboo sharks and shark eggs!

White Tigers of the Maharaja's Temple

See our incredible white tigers lounge and play in the ancient ruins, and learn about our conservation efforts to help their cousins in the wild.
