Congratulations! You have decided to experience an aquatic adventure of a lifetime. To ensure a safe and enjoyable experience, please read over the program information below, and if you have any questions please don't hesitate to contact us.

Dive Guides from *A-1 Scuba & Travel Aquatics Center* will be assisting you throughout your entire experience to help enjoy every possible moment! A-1 Scuba & Travel Aquatics Center is located in Littleton CO and has been a family owned and operated Scuba and Travel facility since 1959! For more information about them, please visit www.a1scuba.com or call 303-789-2450.

*** When you arrive at the Downtown Aquarium, proceed to the "Dive Lounge" which is the second group of doors, located to the south of the Box Office (to the left of Box Office if outside facing the aquarium). In some cases the meet up area may be changed to the Nautilus Ballroom Entrance doors which are located to the right of the Box Office (if you are outside facing the aquarium). Please refer to your email or verbal confirmation on where to meet. Please wait at the specified area for your Dive Guide.**

Included in every *Shark Cage Experience*:

- 1 Aquarium Admission Entry Pass for Participant.
- The use of all needed in water equipment
- The best diving in Colorado! (Westword Best Of 2007 Award Recipient)

After check-in, you can plan on spending approximately 1-1/2 hours with us learning general information about the animals and ultimately spending approximately 20 minutes in the water with them. The guests that are not participating may observe and take photos of your adventure from the observation pathway below with purchase of admission

You may bring your own "small" waterproof camera for a \$15 fee, payable upon arrival. Additional camera equipment may be purchased at a1scuba.com prior to your program. *** If you use professional photo/ video equipment you must contact us directly prior to your program. It is possible that some of these items may not be approved for use**

****Disclaimer: Aquarium staff has complete discretion determining what photo equipment is allowable into the exhibits for use, in addition the staff is not, nor can be held responsible for any type of failure to photo equipment or photo quality and processing. * Professional underwater photography equipment must be pre-arranged and approved***
