Program Notes:

- Most programs are 30 minutes long. "Physics of Flight" is 45 minutes long.
- There can be a maximum of 15 minutes between program start times.
- Classroom Program Outreaches have a maximum of 30 participants per program (including adults).
- Upon arrival, if class size exceeds the 30 participant maximum, an additional \$120 program charge will be added to the balance and invoiced to the school.
- Programs can only be presented indoors.
- Our Classroom Programs Outreaches are educational programs designed to be hands-on and interactive in a classroom setting. They are not designed for large audiences or stage performances.

Selected options are not guaranteed. Completed paperwork must be submitted two weeks in advance and confirmed by the Aquarium Education Sales Department to guarantee your selection(s). Your confirmation will also include an invoice.

Please allow up to 48 hours for forms to be processed.

If your group is tax exempt in Texas, submit a SIGNED copy of the Texas Sales and Use Tax Exemption Certificate along with this registration form. Otherwise, you will be charged taxes.
